- Time : 3-4 hours
- Max Altitude : 4,130m

Accommodation: N/A

Meal: N/A

Activity 1: Pokhara to Annapurna Sanctuary Scenic Flight

The journey begins from Pokhara Airport with breathtaking aerial views of Phewa Lake, green hills, rivers, and traditional mountain villages like Dhampus, Ghandruk, and Chhomrong. As the helicopter gains altitude, the landscape transforms from lush forests to dramatic alpine terrain. You will fly past Machhapuchhre Base Camp before entering the spectacular Annapurna Sanctuary, a natural amphitheater surrounded by towering snow-capped peaks.

Activity 2: Landing at Annapurna Base Camp (4,130m)

Within approximately 30 minutes, you will land at Annapurna Base Camp, standing face-to-face with the majestic Himalayas. Enjoy 360° panoramic views of Annapurna I (8,091m), Machhapuchhre (Fishtail), Hiunchuli, and Annapurna South. This is a rare opportunity to walk, take photos, celebrate special moments, and experience the peaceful atmosphere of the high Himalayas without days of trekking. The golden glow of sunrise flights makes the experience even more magical.

Activity 3: Himalayan Experience & Photography

The ABC helicopter tour offers unmatched opportunities for photography and videography. From the helicopter window, you can observe diverse landscapes — terraced farms, dense forests, waterfalls, glaciers, and towering mountain walls. The feeling of flying close to the Himalayan peaks and standing within the Annapurna Sanctuary is truly unforgettable. This makes it a favorite choice for honeymoon couples and

special occasion celebrations.

Activity 4: Return Flight to Pokhara

After enjoying your time at base camp, the helicopter follows the same scenic route back to Pokhara. During the descent, enjoy panoramic views of mountain ridges, valleys, and rivers. The tour concludes with a smooth landing in Pokhara, completing a safe, comfortable, and thrilling 3–4 hour Himalayan adventure.
