

Everest Chopper Ride with Kala Patthar Landing

Duration: 4-5 hours Days

Itinerary (Plan)

Day 1 Detailed Itinerary for Everest Chopper Ride

- **Time :** 4–5 hours
- **Max Altitude :** 5,545 m

Accommodation: Hotel / Teahouse

Meal: BLD

5:30 AM – 6:30 AM: Hotel Pickup & Transfer to Kathmandu Airport

Your Everest Chopper Ride begins with an early-morning pickup from your hotel in Kathmandu. Our private vehicle takes you to the domestic terminal of Tribhuvan International Airport. Our team assists with the airport procedures and prepares you for your helicopter journey toward the Everest region.

6:30 AM – 7:00 AM: Airport Check-in & Flight Preparation

After arriving at the airport, complete the required check-in and security procedures. The flight crew will provide important safety instructions and confirm the day's flight plan based on weather, visibility, and operational conditions.

7:00 AM – 8:00 AM: Helicopter Flight from Kathmandu to Lukla

Take off from Kathmandu and fly toward the Everest region. Enjoy aerial views of Nepal's hills, valleys, rivers, and mountain landscapes as the helicopter heads toward Lukla. As you approach the Khumbu, the scenery gradually changes from green hills to rugged Himalayan terrain.

8:00 AM – 8:15 AM: Refueling Stop at Lukla

The helicopter makes a short operational stop at Lukla for refueling and flight preparation. Depending on operational conditions, passengers may have a brief opportunity to stretch and enjoy the surrounding mountain scenery before continuing toward the higher Everest region.

8:15 AM – 8:30 AM: Scenic Flight from Lukla to Kala Patthar

Continue deeper into the Khumbu toward **Kala Patthar**. From the helicopter, enjoy spectacular views of **Namche Bazaar, Tengboche, Ama Dablam, Lhotse, Nuptse, Pumori**, and the surrounding Himalayan landscape as the flight climbs toward the Everest Base Camp area.

8:30 AM – 8:45 AM: Kala Patthar Landing & Everest Viewpoint

Land at **Kala Patthar at approximately 5,545 meters**. Spend a short period at this spectacular viewpoint enjoying close views of **Mount Everest, Khumbu Glacier, Everest Base Camp area**, and surrounding peaks. This is also the perfect opportunity to take photographs before continuing to a lower altitude.

8:45 AM – 9:00 AM: Flight to Syangboche & Hotel Everest View

After the Kala Patthar experience, the helicopter descends toward **Syangboche**. Enjoy changing views of the Khumbu landscape, Sherpa settlements, valleys, and Himalayan peaks before arriving near **Hotel Everest View**.

9:00 AM – 9:30 AM: Breakfast at Hotel Everest View

Enjoy breakfast at **Hotel Everest View** in Syangboche, surrounded by panoramic views of **Mount Everest, Lhotse, Nuptse, Ama Dablam**, and other Himalayan peaks. The stop provides a relaxing contrast after the high-altitude Kala Patthar landing.

9:30 AM – 10:00 AM: Return Flight to Lukla

After breakfast, board the helicopter for the return flight toward Lukla. Take in your final aerial views of the Everest region, including the dramatic valleys, mountain ridges, and surrounding peaks, before the helicopter makes its operational stop at Lukla.

10:00 AM – 11:00 AM: Fly Back to Kathmandu & Hotel Drop-off

From Lukla, continue the scenic flight back to Kathmandu. Watch the Himalayan landscape gradually transition into green hills and valleys as you descend toward the capital. After landing at the airport, our vehicle will transfer you back to your hotel, completing your **Everest Chopper Ride from Kathmandu**.

Note: The exact flight timing, route, refueling stops, Kala Patthar landing, and Hotel Everest View stop may change depending on weather, visibility, air traffic, aviation regulations, and operational conditions. The pilot and operating team have the final authority regarding safe flight operations.

Cost Include

- Shared or private helicopter flight from Kathmandu to the Everest region and back, according to the selected package
- Hotel pickup and drop-off within Kathmandu
- Kala Patthar landing at 5,545 m, subject to weather, visibility, and safe operating conditions
