6:30 AM – 7:00 AM: Hotel Pickup & Transfer to Kathmandu Airport

Your romantic Everest adventure begins with a private pickup from your hotel in Kathmandu. A private vehicle transfers you to the domestic terminal at Tribhuvan International Airport, where our team assists with check-in and a private pre-flight briefing. The morning sun casts a golden glow over the valley as you prepare for the journey of a lifetime.

7:00 AM – 8:15 AM: Scenic Flight Over Himalayan Peaks

The private helicopter lifts off from Kathmandu heading northeast toward the Everest region. As the aircraft ascends, the Kathmandu Valley unfolds below with its green hills, rivers, and urban landscape. The helicopter enters the high Himalayas, offering uninterrupted panoramic views of Mount Everest (8,848m), Lhotse, Nuptse, and Ama Dablam. Glaciers, alpine valleys, and remote Sherpa villages dot the terrain below. The pilot provides insights into the region's geography and culture, making the flight both scenic and informative.

8:15 AM – 8:30 AM: Hover & Proposal at Kala Patthar Viewpoint

The helicopter approaches a private scenic point near Kala Patthar (5,545m), one of the finest viewpoints for Mount Everest. The pilot positions the helicopter for a safe hover with the world's highest peak as your backdrop. This is the moment for your wedding proposal — surrounded by the majestic Himalayas, with optional arrangements including flowers, champagne, and personalized banners. Professional photographers capture the special moment from unique aerial angles.

8:30 AM – 8:45 AM: Celebration & Photography Session

Following the proposal, spend time celebrating your engagement while immersed in the serene Himalayan environment. The crew assists with photography and videography to ensure every detail is recorded. Take in the panoramic views of Everest, surrounding peaks, glaciers, and the rugged alpine landscape as you commemorate this once-in-a-lifetime experience.

8:45 AM – 9:30 AM: Return Flight to Kathmandu

After the proposal and photography session, the helicopter retraces its route back to Kathmandu. The return flight offers a scenic descent over the Himalayan foothills, terraced hills, and river valleys, with final glimpses of the majestic peaks in the distance. The helicopter lands smoothly at Tribhuvan International Airport.

9:30 AM – 10:00 AM: Hotel Drop-off – Tour Concludes

You are escorted to your private vehicle and transferred back to your hotel. The tour concludes by mid-morning, leaving you with memories of a once-in-a-lifetime proposal at the foot of the world's highest mountain.
