The calm morning streets give way to anticipation as you prepare for the aerial journey into the Langtang region.

7:30 AM – 8:00 AM: Flight from Kathmandu to Gosaikunda Lake (4,380m)

After completing airport formalities and a safety briefing, the helicopter departs Kathmandu heading north. The flight ascends over the Kathmandu Valley's green hills, terraced farmlands, and scattered settlements before crossing into Langtang National Park. Awe-inspiring views of Ganesh Himal, Langtang Lirung, and Dorje Lakpa unfold as the helicopter approaches the sacred alpine basin. The aircraft lands near the shores of Gosaikunda Lake, one of the most revered pilgrimage sites in the Himalayas.

8:00 AM – 8:30 AM: Darshan & Exploration at Gosaikunda Lake

You have approximately 30 minutes at Gosaikunda Lake to explore the pristine alpine surroundings. Walk along the shores of the sacred lake, take photographs of the crystal-clear waters reflecting the surrounding peaks, and absorb the spiritual energy of this holy site. The lake is surrounded by a cluster of smaller kundas including Saraswati Kunda and Bhairab Kunda, creating a breathtaking high-altitude landscape.

8:30 AM – 9:00 AM: Return Flight from Gosaikunda to Kathmandu

Board the helicopter for the return journey to Kathmandu. The flight offers a final aerial perspective of the Langtang range, with sweeping views of glaciers, deep valleys, and dense rhododendron forests. The descent toward Kathmandu reveals the transition from alpine wilderness to the lush foothills and finally the city valley below.
