### 05:30 AM – Hotel Pickup & Transfer to Kathmandu Domestic Airport

There, you check in and get a short safety briefing from your pilot. This gives you time to settle in before the early morning departure without rushing through the process.

### 06:30 AM – Scenic Helicopter Flight from Kathmandu to Langtang Valley

The helicopter takes off and heads north. Early on, you'll pass over the Kathmandu Valley, seeing green hills, terraced farmland, rivers, and small villages below. As you near Langtang National Park, the landscape shifts quickly to alpine terrain, with snow-capped peaks, glaciers, and rugged ridgelines coming into view.

### 07:15 AM – Arrival & Landing at Kyanjin Gompa (3,870 m)

You land at Kyanjin Gompa, a small village surrounded by towering peaks. You'll have 20–30 minutes here to walk to the old Buddhist monastery, look around the village, and take photos of the glaciers and mountains nearby. It's a rare chance to stand in the Himalayas without any trekking involved.
