Activity 1: Takeoff from Pokhara Airport

Your journey begins at Pokhara Airport with a smooth ascent over the city. As you rise, enjoy aerial views of lush green hills, terraced fields, and Pokhara's scenic cityscape. This luxury helicopter flight provides a stress-free and panoramic perspective of the valley and sets the tone for the adventure ahead.

Activity 2: Fewa Lake & Tal Barahi Temple

Fly over Fewa Lake, the heart of Pokhara, where the Tal Barahi Temple sits on a tranquil island. Observe small boats floating on the water and the reflection of Machhapuchhre Mountain on the lake's surface. This combination of natural and religious beauty offers a heavenly view and a perfect photo opportunity.

Activity 3: Pokhara Landmarks & Seti River

The helicopter passes over landmarks like Devi's Fall, Gupteshwor Cave, and the World Peace Stupa. You'll also see the unique Seti River gorge, where the milky white river flows underground in parts, creating a mysterious and spectacular aerial sight.

Activity 4: Sarangkot & Mountain Panorama

Hover or fly near Sarangkot Hill, famous for its sunrise and panoramic mountain views. Look north to the majestic Annapurna range and Machhapuchhre (Fishtail), south to the serene lakes, and admire tourists paragliding along the shores. This segment offers an unparalleled Himalayan vista for photography and sightseeing.

Activity 5: Begnas Lake, Bhumdi Kot & World Peace Stupa

Explore less crowded gems like Begnas Lake and Rupa Lake, surrounded by lush hills and forests. From the air, see the Lord Shiva statue on Bhumdi Kot Hill and the World Peace Stupa, which are even more enchanting from above, giving a unique spiritual and scenic experience.
