Rara Lake Helicopter Tour

Duration: 5-6 hours Days

Itinerary (Plan)

Day 1 Detailed Itinerary of Rara Lake Helicopter Tour

- Time : 5-6 Hours
- Max Altitude : 2990m

Accommodation: N/A

Meal: N/A

Activity 1: Kathmandu to Nepalgunj (Refueling Stop)

Your **Rara Lake Helicopter Tour** begins early in the morning with a comfortable transfer to **Tribhuvan International Airport** in Kathmandu. After completing airport formalities, you will board your helicopter and begin your journey toward western Nepal.

The first leg of the flight takes you to **Nepalgunj Airport**, located in the Terai region near the Indian border. This is a necessary stop for refueling before heading toward the remote Himalayan region. During this short break, you can relax while the crew prepares the helicopter for the next scenic flight.

Activity 2: Nepalgunj to Rara Lake (Scenic Flight ~1.5 Hours)

This is the most exciting and visually stunning part of the journey.

As the helicopter departs from Nepalgunj, you will witness a dramatic transition in landscape—from the flat lowlands to rolling hills and eventually to the remote Himalayan terrain of western Nepal. The flight offers breathtaking aerial views of:

- Dense forests and alpine meadows
- Remote villages untouched by modern development

- Deep valleys and high ridgelines
- The pristine wilderness of **Rara National Park**

Soon, the mesmerizing **Rara Lake (Nepal's largest lake)** appears below, surrounded by green hills and snow-capped peaks. Its deep blue waters create a striking contrast against the rugged landscape.

The helicopter lands near the lakeside, allowing you to:

- Walk along the peaceful shoreline
- Capture stunning photographs
- Experience the serenity and untouched beauty of the region
- Enjoy a rare moment of solitude in one of Nepal's most remote destinations

This exclusive landing makes the tour truly special, offering a **once-in-a-lifetime wilderness experience**.

Activity 3: Rara Lake to Nepalgunj (Return Flight & Refueling)

After spending quality time exploring Rara Lake, you will board the helicopter for your return journey.

As you take off, enjoy one last aerial view of the lake and its surrounding landscapes. The return flight provides another opportunity to admire the dramatic terrain of western Nepal from above.

You will land again at **Nepalgunj Airport** for a brief refueling stop before continuing your journey back to Kathmandu.

Activity 4: Nepalgunj to Kathmandu (Final Return Flight)

After refueling, you will continue your helicopter flight back to Kathmandu. This final leg offers relaxing views of hills, rivers, and scattered settlements as you return to the capital.

Upon arrival at **Tribhuvan International Airport**, you will be transferred back to your hotel. Your unforgettable journey to **Rara Lake – Nepal's largest and most remote lake** comes to an end.

Cost Include

- Private helicopter transfer from Kathmandu to Rara Lake and back.
